B Shiyuikan

Hyogo University is based on Buddhist principles (Jodo Shinshu, Nishi-Hoganji sect). The Shiyuikan was donated in January 1973 by Senyo Kono, who at that time was the wife of the university's president.

Religious seminars and regular services (every Wednesday from 12:15) are held at this facility, and it is used as a venue for learning about religious sentiments.

C Medical Simulation Center

This center has the same environment as a hospital room, and enables training with a high degree of reality using simulators. It was opened in 2015 with the objective to making community healthcare safer and higher in quality.

D Library, Cafeteria

The library has a collection exceeding 140,000 volumes. It is used by a total of 32,000 students and other users every year.

Hours are: 9:00-20:00 (Mon.-Fri.) 9:00-16:00 (Sat.)

E Extension College (Lifelong learning center), Volunteer Center

The Hyogo University Extension College is an institution based on the principles of an open university. It provides educational opportunities to the public in Hyogo Prefecture, and meets the need for lifelong learning which is growing in today's knowledge-based society. Taking citizenship education as the foundation for learning, the college provides a full range of courses from general culture to practical learning to help form a citizen's society.

F Learning Support Center (Active Learning Zone)

Here, dedicated staff provide study support. In the active learning zone inside the facility, an environment is provided to support active learning, with PCs, displays, projects, iPads and other equipment.
